## What is a School-Family Compact?

The school-Family compact is a written commitment describing how members of the school parents/guardians, students, staff, teachers, community, and stakeholders agree to share the responsibility for student learning. This compact helps to bridge the learning bond between school and home. responsibility for student learning. This compact helps bridge the learning connection

### Jointly Developed

The parents, students, and staff of Skyview Charter High School worked together to develop this School-Family Compact for achievement. This compact is uniquely developed to meet the needs and goals of our school and students. Teachers suggested strategies for learning at home, parents gave input about support they needed, and students talked to us about ways we could help expand on learning. Each school year, Parent Input meetings are usually held for parents, students, community members, and teachers to provide valuable suggestions to aid in student learning. However, this year all stakeholders were invited to share their input on our electronic feedback form.

## **Shared Responsibilities**

To help your child meet the district and school goals, the school, you, and your child will work together.

### **IMPROVE READING AND WRITING SKILLS:**

#### ➤ **The school will –**

1. Host workshops and provide access to reading and grammar tools through our Parent Resource such as reading and grammar books and games that help students build their reading and writing and vocabulary skills
2. Offer reading/literacy workshop to help parents understand the Georgia ELA standards and support student mastery so that their child can meet or exceed state academic content standards and perform above status on ELA Georgia Milestones EOC.

#### ➤ **The parent will –**

1. Engage in their child's academic progress by using the Parent Resource Center and practicing reading and grammar activities at home.
2. Attend school reading/literacy workshops designed to inform the parent of Georgia ELA standards necessary for student content mastery to demonstrate proficiency of state Georgia Milestones EOC tests for the 2025-2026 school year.

#### ➤ **The student will –**

1. Use the materials and tools provided in the classroom and Parent Resource Center to improve reading and writing skills. Students will ensure they are leveling up in reading plus
2. Take initiative in using classroom and school-provided resources to meet academic goals.

### **IMPROVE THE GRADUATION RATE:**

- **The school will:** Provide clear guidance and updates on graduation requirements, including credits and testing, through workshops and consultations with families.
- **The parent will:** Attend school informative/consultation graduation meetings and workshops, assist with being involved with student class assignments/homework, request parent teacher conferences, attend FASA and ASVAB workshops.
- **The student will:** Take an active role in graduation prep by attending workshops and meetings, staying on top of assignments, seeking help when needed, and participating in **FASFA & ASVAB** events.
